RiskMandate laptop stickers

Four stickers, at real size on a laptop lid. Brand colours and rules from riskmandate.ai/brand; the seal and the lockup are the supplied files.

Corporate

The brand's own lockup, the seal and "RiskMandate", large, on the container black, with what we do in warm white. 100 x 40 mm.

Infographic: the gap

The idea as one bar: all an agent can reach; the green part is what you authorised; the striped rest is the gap. "Control the gap." Ø 76 mm. A moving version is for screens.

Infographic: know, define, control

Know their reach (a radar), define their mandate (a signed page), control the gap (a control dial). 100 x 40 mm.

Cartoon

Our agent, delighted, holding every key. "Your AI has access. Does it have permission?" 76 x 76 mm.

Print: kiss-cut on white vinyl, cut to the size and shape given; the print files carry no cut line. Every letter outlined.

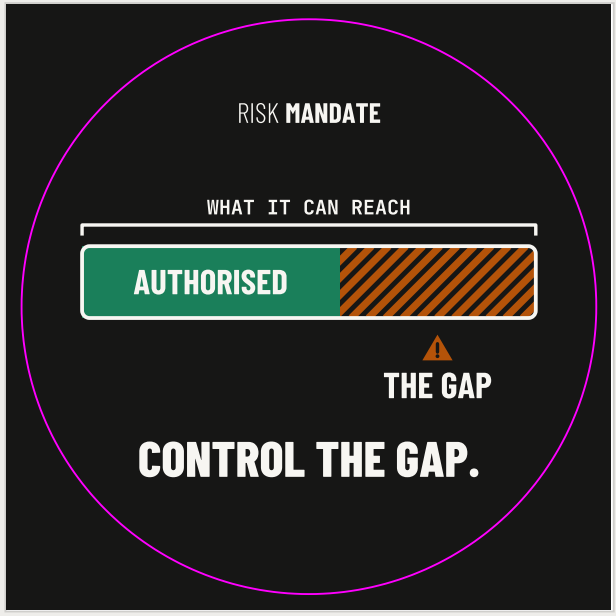

Print proof

The print files at real size, with the bleed; the magenta line shows where the cut falls (it is not in the print PDFs).
